In memory of Loren Berger, who died tragically in an automobile accident on December 23, 1980. He had many friends, in and out of school, who cared deeply for him. He was to be a graduate of Macomber-Whitney in June of 1981 and majored in the automotive trade. We will remember him now and forever.

Memories

Memories are treasures,
That keep the heart aglow.
Remembering through the years,
The friends we used to know.
Memories are links of gold,
Connecting old and new
Our dearest recollections
of things we used to do.
Memories are treasured bits,
Which roam through the mind
Reweaving lifes true journey,
To join the hand of time.
